Search in the Performance > Network track

You can now search requests in the Network track of the Performance panel and, additionally, see stack traces in Timings.

The background is a solid light teal color. It features four decorative elements: a semi-circle of concentric white circles at the top center, a semi-circle of concentric white circles at the bottom center, a chevron shape made of multiple parallel white lines on the left side, and a chevron shape made of multiple parallel white lines on the right side.
